Introduction.

This relief teachers pack for Reo Māori classes F5 to F7 has been produced for Relief Teachers as well as teachers of Reo Māori, and can be used to make up 1 hour relief lessons or integrated into the reo Māori curriculum of the class.

These exercises have been created in association with the Reo Māori unit standards developed by Te Whakaruruhau Reo Māori, NZQA. They can be used as follows:

- There are 4 levels

Each level pack contains short, sharp exercises, which draw on a range of topics and disciplines within the F5 to F7 curriculum.

Level 1	80 exercises
Level 2	80 exercises
Level 3	75 exercises
Level 4	65 exercises

- To use these one can take 2 or 3 exercises from a Level Pack or from a combination of Level Packs to make up an hour lesson. The following may help:

F5	Levels 1 & 2	160 exercises – approx 80 lessons
F6	Levels 2 & 3	155 exercises – 50 to 70 lessons
F7	Levels 3 & 4	140 exercises – 50 to 70 lessons

- Teachers are able to pick, mix and match exercises from any combination of Levels to suit the competencies of their students.
- Relief teachers also should be able to do the same to a lesser degree because the instructions for all exercises are in Māori and English. Teacher answer sheets are also included where required.

These relief packs have been developed by Wayne Ngata and Georgina Boyd – Kerekere of Te Whatukura, Tūranga for Te Hiringa i te Mahara, Te Tāhūhū o Te Mātauranga.
